Come join our future!

Dear Members and Friends,

A few days ago you received an invitation in your email box inviting you to consider participating in the growth of our organization in a greater capacity. This letter was the result of many months of work by an incredible team of volunteers who have been looking towards the future of our Village.

As many of you know, Betsy Stroman was the driving force in creating Sausalito Village and was in the leadership role first as Chair of the Steering Committee and then President of the Board for many years before I took the role in 2015. Many of our Board Members were on the original Steering Committee and have now moved on to the Emeritus Board. Change is inevitable and healthy for an organization and now seems like the opportune time to encourage fresh participation.

Below is the email that was sent out....in case you missed it! We look forward to hearing from you.

Sincerely,

Tricia Smith, President of the Board

Happily morphing from a start-up into a well established non-profit, we are looking to the future and adding new leadership to Sausalito Village, a dynamic adult network within our beautiful city. A pioneer in the exploding national Village movement, Sausalito Village was founded by a small group of local volunteers in 2010 growing to its current membership of 230. Sharing a common desire to build a web of friendship and support among Sausalito's older residents, we are dedicated to enhancing the ability of our members to live independently, and to remain active and integral to our community as we age.

If you are interested in taking an active role in our ever-changing, ever-growing team, please let us know. We are specifically seeking potential board members and leaders for the years ahead. Be assured that whatever experience, skills and talents you possess will be put to good use, but more important is your desire to engage yourself in a groundbreaking, creative project that defines itself as it grows. Perhaps you are exactly the right person to add a new dimension to our thriving community?

Interested in learning more? Send an email with your name, email and phone number to concierge@sausalitovillage.org with the subject "Interested". We'll be in touch with additional information. We look forward to hearing from you!

Protect yourself from current scams/hacks

Many of us know Sausalito Village Member, Richard Pavek for his beautiful bird photography BUT he is also technologically savvy and interested in keeping our members safe in this digital world. Richard has put together a very comprehensive report on the current scams and hacks that have the potential to plague many of us. Take the time to read through this report - it may just save you from being a target of the next scam.

SV Healthcare Advocacy Committee

When you became a member you received a packet that included a sheet about the SV Healthcare Advocacy Group. As a reminder, the purpose of the group is to facilitate and coordinate, on a short term basis, your medical and pre-post-surgery care. It also helps you to learn about tools and services that will help you maintain an independent lifestyle.

As this is a fairly complex assignment, the group will be sending out monthly Healthcare Advocacy Tips to remind you of what we can do to assist you.

Below is the first in this series.

Healthcare Advocacy Tip #1 (April 2017)

Going to Kaiser downtown San Rafael facility.

Do you or your passenger need wheelchair assistance when you get to Kaiser?

San Rafael, Call Security 415 444 6816. The guard, or one of the attendants will bring a portable chair to your car and help get you to your appointment. This will work both on the first floor and basement parking.

Golden Gate Computer Society

Last week there was a notice on Nextdoor.com that was very timely. One of our members had asked if we could sponsor a class on Social Media and I was working hard trying to find a teacher to no avail and then Babette Bloch posted about the upcoming monthly meeting of

GGCS. What is GGCS? She explained that it has been in Marin for over 30 years.. serving the SF Bay Area. It started out as a PC User Group (Windows) but now the activities include Windows related devices and iOS devices (Apple) GGCS also has a program that takes computers donated by individuals and businesses, repairs or upgrades them, and donates them to schools in Marin.

CCGS is a non profit organization, with an all volunteer Board, Steering Committee, and all who lead Special Interest Groups (SIGs), etc. SIGs are small groups (8-20 or so) covering such issues as Windows 10, Everything Apple, Digital Photography, Quicken and Personal Finances, The Internet, Tablets and Smart Phones, and a generalized Beginners SIG called "Wayne's Class".

Currently GGCS membership is about 250 and is comprised of people with all levels of tech skills, from beginners to professionals who help the beginners. More than half are older adults. Dues are \$48 a year (\$4 a month) and give members free access to all activities and the Newsletter delivered by Email, plus a lot of good fellowship and help. A non -member fee of \$5 is charged for any activity/meeting. GGCS holds a monthly General Meeting with a speaker on the Fourth Monday of each month, except December. Talks cover new developments in computing, use of mobile devices, computer privacy and security, etc., for both Windows and Apple systems. Many joined GGCS years ago as beginners, learned a lot from other members whose helpfulness was unbelievable, and became skilled enough to start helping others.

You can explore the website (www.ggcs.org) and read the Newsletter posted there to get a better idea of our General Meeting subjects and activities. Questions? Contact Babette at babette@ggcs.org or call 415-388-3864

TOMORROW!

Art Reception at City Hall celebrating our SV Member, Bill Kirsch

The Sausalito Foundation invites all to a wine and cheese reception marking the gift and exhibition in City Hall of art works by two noted Sausalito artists. Joining the City's public art collection will be a vibrant painting by abstract artist Bill Kirsch, "The Foot of Spring Street," and a historic photograph of the Sausalito waterfront by photographer Walter Van Voorhees. The reception will take place on **Sunday, April 2** at 3:30 p.m. on the upper level of Sausalito City Hall, following the Sausalito Foundation members' annual meeting.

City Hall Elevator CLOSED for maintenance work

From mid-March until early May, the Civic Center elevator will be out of service for much needed maintenance to address reliability issues and current code requirements. As such, mobility between floors inside of the building will be limited to the use of stairs. Those individuals that require the use of an elevator to transit between floors to access Civic Center services will need to enter the building from the entrance that provides access to the services that they wish to receive.

For those wishing to use the **Library, visit Admin or the Community Development Department, or attend City Council or Planning Commission meetings**, please use Litho Street entrance located on south side of building.

For those wishing to visit the **Historical Society or the Friends of the Library Bookstore**, please use the main parking lot entrance located at the southwest corner of the building.

For those wishing to visit the **Parks and Recreation Department offices and services**, please use the driveway entrance located along Bee Street.

For additional information about access to Civic Center offices and services, please call 415-289-4121 during normal business hours to receive additional information about access.

SAUSALITO VILLAGE

We are so PROUD!!

And incredibly thankful.

We received the wonderful news that Sausalito Village received a grant from the Sausalito Art Festival Foundation to be used to enhance our 2017 Sausalito Village Art Show and Opening. The grant is one of several given out by the Foundation. Named after Leonard Kaprielian, the grants are intended to support art related projects throughout the local community.
