Marin Graduates to Tier 2 COVID-19 Status

The State of California has announced that Marin County will move from "purple" to "red" status in the [Blueprint for a Safer Economy](#), effective Wednesday, February 24.

The move from Tier 1 or "widespread risk" status to the less restrictive Tier 2 or "substantial risk" level is based on consecutive weeks of progress in Marin's COVID-19 case statistics. Marin joins San Mateo and San Francisco as the only Bay Area counties not in Tier 1, the most restrictive tier.

These are the primary changes allowed under the state order as Marin moves into Tier 2:

- Restaurants are allowed to open indoors at 25% capacity or 100 people, whichever is fewer.

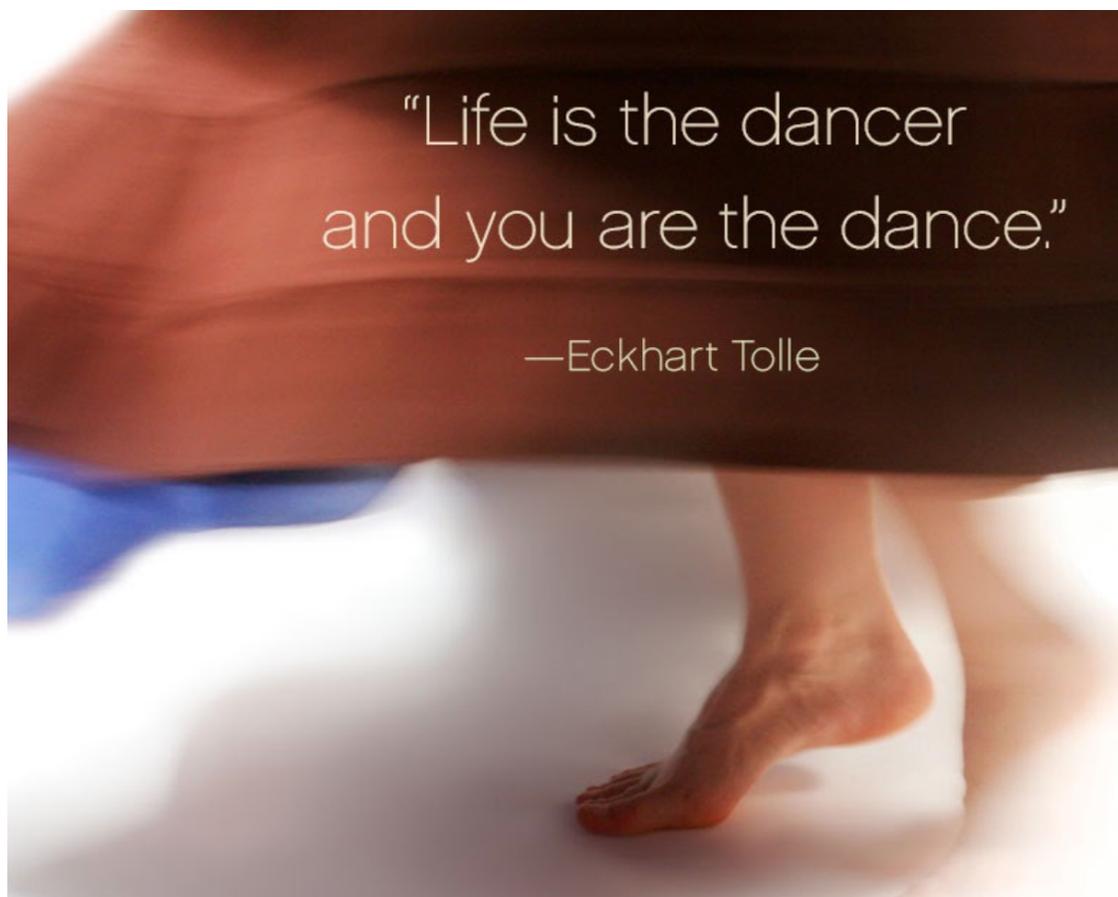

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

closed).

- Gyms and fitness studios (including yoga and dance studios) are allowed to open indoors at 10% capacity.
- Museums are allowed to open indoors at 25% capacity.
- Movie theaters are allowed to open indoors at 25% capacity or 100 people, whichever is fewer.
- Cultural ceremonies, including weddings and funerals, are allowed indoors at 25% capacity or 100 people, whichever is fewer (churches and houses of worship maintain 25% indoor capacity).

The transition to Tier 2 means any Marin school that has not yet reopened to some form of in-person instruction will be eligible to make that transition beginning Monday, March 1. Once eligible, the reopening pace and scope of a school is at the discretion of school officials. To date, nearly 90% of Marin schools have already reopened to some form of site-based classroom learning.

Changes to business sector guidelines are available on the [Marin Recovers](#) website or the California [Blueprint for a Safer Economy](#) website.
