Johnson & Johnson's single-dose vaccine offers strong protection against severe COVID-19, according to an analysis by U.S. regulators Wednesday that sets the stage for a final decision on a new and easier-to-use shot to help tame the pandemic.

[Stroll Through the Fascinating Design History of NYC's Iconic Central Park](#)

Long ago, New York City's iconic gridded streets left little room for green spaces. But around the 1840s, New Yorkers were growing tired of having to find refuge from city life in cemeteries and other unlikely places. From this discontent, Central Park was born.
