WHAT TO WATCH

Reviews and features for just-released movies and TV shows, plus trailers for what's to come.

8 Famous Buildings Featured in Movies

Though many movies are filmed on studio lots and make heavy use of green screens, location shooting isn't exactly a lost art. Utilizing real places can deepen immersion and make a scene feel more real, justifying the added expense and logistical difficulties of venturing off a studio lot. This is especially true on rare occasions when a location becomes as iconic as the movie in which it appears. Here are eight movie buildings that are ready for their closeup.

extinctions

Nearly a third of the world's oceans and land should be protected by 2030 to stem extinctions and ensure humanity lives in harmony with nature, 195 countries say in a proposed UN plan
