**IMPORTANT
ANNOUNCEMENT FROM DEBORAH PHELAN,
NEWSLETTER CURATOR**

Dear Villagers,

Last week marked the end of my stint choreographing the weekly newsletter and, before that, the Tips of the Day. I wanted to thank all of you for the wonderful content you sent my way, I couldn't have done it without you.

Doing the 'tips' was a true pleasure and helped me navigate my way through the pandemic, as I hope they did for you.

*Stay well.
Deborah*

NOTE FROM SV BOARD of DIRECTORS: We can't thank Deborah enough for all that she has given of her time and energy! As the Tips Curator EXTRAORDINAIRE, she helped us all through a difficult period by creating a fun newsletter daily for over one year and weekly since May.

75+ Booster Vaccine Clinic Launch at Northgate Shopping Center

A special booster dose clinic will begin on **Wednesday, September 29** at the Northgate Shopping Center. This announcement comes after the U.S. Centers for Disease Control and Prevention (CDC) and the Western States Scientific Safety Review Workgroup (WSSSRW) recently gave their nod of approval for federal and state authorization for Pfizer-BioNTech booster shots to be made available for specific high-risk populations. The clinic will be for older adults, **age 75 & older**, who completed the Pfizer Covid-19 vaccine series at least 6 months ago. The clinic is intended to ensure booster dose access based on evidence of waning immunity and higher risk of mortality in this age group. Eligibility will expand to 65 & older once booster demand subsides.

If you are eligible for a COVID-19 booster dose you can [make an appointment here](#).
