"The Movie History of SF" with 50+ old SF movies including 25 free ones.

This San Francisco Meetup Group **Walking in San Francisco for Health and History**

is not only providing members with access to [Corona Virus and Relief Pages](#), but it's also starting weekly Double Features featuring two movies in or about San Francisco.

The group leader intends to keep his members actively engaged and writes:

So far I have found on the internet 25 good old movies that have lots of on location SF scenes that are all free! Our web page "**The Movie History of SF**" has a list of 50+ old movies made on location in S. F. that are at the top of the page & lower on the page are the 25 free movies with links to watch them.

I gathered free movies so all our members have the ability to watch them. Every week starting now I will spotlight 2 movies so that all our members may watch this movie "Double Feature" in the same week & then can talk about it with each other. It will be like a "Book of the Month Club" except 2 movies every week.
