Wrestlers in Action, 2020
 Eli Williams (b. 2016)

Crayola marker on wooden closet door.

Williams, a fledgling artist with a reputation for drawing it like he sees it, has honed a style that hearkens back to the Realism movement.

In the latest addition to Williams' *Quarantine* series, the subject is WWE wrestlers in action. Williams rejects Romantic conventions and delivers the raw emotion of wrestlers Rey Mysterio and Jeff Hardy in the ring.

Critics agree that *Wrestlers in Action* is a thought-provoking composition that challenges the viewer to reflect on their own emotions stemming from being a prisoner in their own home during a toilet paper shortage.

Gifted to the artist's parents, 2020.
