**Today's word is APHORISM**

Aphorism is a statement of truth or opinion expressed in a concise and witty manner.

- ◆ I read that 4,153,237 people were married last year. Not to cause any trouble.... but shouldn't that be an even number?
- ◆ I find it ironic that the colors red, white and blue stand for freedom until they are flashing behind you.
- ◆ When wearing a bikini, women reveal 90% of their bodies . Men are so polite they only look at the covered parts.
  - ◆ Relationships are a lot like algebra. Have you ever looked at your X and wondered Y?
  - ◆ You know that tingly little feeling you get when you love someone? That's common sense leaving your body .
- ◆ My therapist says I have a preoccupation with vengeance. We'll see about that!
- ◆ I think my neighbor is stalking me as she's been Googling my name on her computer. I saw it through my telescope last night.
  - ◆ Money talks ... but all mine ever says is good-bye.
    - ◆ You're not fat, you're just easier to see.
- ◆ If you think nobody cares whether you're alive, try missing a couple of payments.
