****WEBINAR** COVID-19 AND CLIMATE CHANGE: IMAGINING A NEW NORMAL**

As the COVID-19 pandemic has brought the world to a standstill, the dramatic drop in CO2 emissions has been a silver lining in an otherwise bleak and unsettling time. However, as lockdowns begin to lift and life returns to normal, rampant pollution will return as well. Even with the massive drop in CO2 emissions this year, concentrations of CO2 in the atmosphere won't stabilize until the planet reaches net-zero. While the Paris Climate Agreement represents an ambitious effort to achieve net-zero emissions and limit global warming, international meetings and initiatives to curb climate change have also been disrupted.

[10 Coldest Cities in the World](#)

Some people live for plunging temperatures, chilly evenings, and snowy mornings. And while a tropical getaway has its own appeal, there's something about a frigid winter holiday that feels magical. From the coldest capital city in the world to entertaining snow and ice festivals, there are many wonderfully icy winter destinations for those who don't mind a little chill. Here are the 10 coldest cities in the world where you'll be able to have some freezing winter fun.
