Have you seen this great FireSafe Marin video yet?

"How To Survive a Wildfire"

We would like for all members to see this important webinar - either on your own or join us in a group.

The video provides a very good background for an important Village Emergency Preparedness Cluster Meeting we will have at the end of the month with the focus on Evacuation Zones and Evacuation Routes for each of our SV Clusters.

The video is available to watch independently online anytime by clicking here: <https://firesafemarin.org/living-with-fire>

BUT if you would rather watch with other Village members, volunteers and friends, join us on

Wednesday, September 16th, 4pm

Are you ready to learn new skills, train, & go back to work?

Senior Community Service Employment Program (SCSEP) may be the perfect program for you. SCSEP is a federally funded job-readiness program that helps older adults transition from on-the-job training back into the work force. We work with community based training sites to assist you in developing the skills necessary while you seek full-time or part-time employment.

Eligibility Requirements are:

1. Resident of Marin County
2. 55 years and older
3. Unemployed
4. Low Income

SCSEP pays a minimum wage training stipend for 12 hours per week

Enrollment depends on:

- 1) Meeting all eligibility requirements
- 2) Successful interview and placement to train at a non-profit organization or government agency

To apply, please email a cover letter and resume to:

scsep@felton.org

If you have additional questions, please call: (415) 982-7007 Ext. 613
