Andy Dudnick and Janet Lynn in Concert Cocktail Hour...BYOB

WHERE: The comfort of your own home

Andy and Jan will be performing on Zoom. RSVP for the link and to have 4 singalong lyrics emailed to you. Vocalist Janet Lynn and pianist Andy Dudnick have performed together for more than 10 years. Their repertoire includes a healthy portion of the Great American Songbook, modern jazz, bossa novas, 60s and 70s pop and soft rock. Jan also has a special penchant for Michel LeGrand songs and the music of similar composers.

Jan and Andy perform regularly at wineries, senior residential communities, assisted living facilities, private parties, clubs, restaurants, private events.

You may already know Andy who has played piano for our (pre-COVID) SV Monthly Singalong hosted by Phyllis Kinimaka.

Here is this month's songlist:

1. "Autumn Leaves"
2. "September in the Rain"
3. "Groovin'"
4. "Almost Like Being in Love" SING ALONG
5. "Fly Me to the Moon" SING ALONG
6. "More"
7. "Wichita Lineman"
8. "L-O-V-E" SING ALONG
9. "Pennies From Heaven" SING ALONG
10. "Star Eyes"
11. "I Wanna be Around"
12. "Exactly Like You"

Lock Lomond Marina on a clear day by Harrie Schwartz.

Have any pictures you've taken around Marin during COVID? Share them with us. We'd love to publish your work, for all of us but in particular for those who are housebound.

Sometimes, the best way to quiet your mind is to turn up the volume. The volume in your headphones, that is.

[college](#), students and experts recommended listening to ambient sounds when working to boost productivity. As a bunch of audio nerds, we couldn't agree more. And you don't have to be a student to reap the rewards of a good soundscape!

Sound can transport you to your most productive places, whether real or imagined.

Having trouble getting into your workflow without the clack of other keyboards? Voila, [Sound of Colleagues](#) is here to save your workday, office dog included.

Miss that little corner in your favorite coffee shop? [Coffitivity](#) can take you right back.

So much classic black and white footage has been [digitally colorized](#) recently, it's hard to remember that the Eastman Kodak Company's [Kodachrome](#) film debuted way back in 1935.

The above footage of New York City was shot by an unknown enthusiast in and around 1937.

[Dick Hoefsloot](#), the Netherlands-based videographer who posted it to YouTube after tweaking it a bit for motion stabilization and speed-correction, is not averse to artificially coloring historic footage using modern software, but in this case, there was no need.

It was shot in color.
