Wheel of Fortune has been on the air since 1975, making it one of the longest-running game shows on television, but even long-time fans might be surprised at just how the show is taped (via How Stuff Works).

[Depression-era foods that are weirdly making a comeback](#)

The Great Depression lasted a decade, but its effects changed a generation. Echoing events of 2020, the Depression caused widespread unemployment and food shortages of meat, milk, and other pantry staples. Cooks during the unprecedented economic downturn learned eating simple meals without waste could stretch their dollar. The popularity of home gardens, foraging for food, and alternative recipes emerged as a way to work around high food costs of fresh produce, meat, and dairy products. Although 2020, fortunately, didn't see the same long-term impacts as the 1930s, home cooking doesn't appear to be going anywhere and Depression-era foods are making a comeback.
