## [Exquisite Watercolor Paintings Imagine the Human Body Intertwined With Nature](#)

Many artists find inspiration in the diverse beauty of nature. For watercolorist [Anna Rakitina](#), it is the rich forests of her native Siberia. Tall pine trees, small leafy plants, fungi, and flowers are some of the many environmental motifs that appear in her artwork. In most of her paintings, she renders the flora true to life with three-dimensional shading and meticulous detail. However, two of her most recent pieces explore our relationship with nature in exciting abstract designs.

## [Hallmark Channel's 2020 Christmas Movie Lineup Is Finally Here](#)

Fa-la-la-la-inally! The Hallmark Holiday Movie schedule has finally arrived and it feels like Christmas morning already! If there was ever a year that we needed all of the hot cocoa, snowman building, sleigh riding, and tinsel-coated goodness that we count on Hallmark for, it's this year. And our friends at the Hallmark are not going to disappoint. That's right, the pandemic will not stop Countdown to Christmas on Hallmark Channel or Miracles of Christmas on Hallmark Movies & Mysteries. Despite the fact that Hollywood, like the rest of the world, screeched to a halt in March, the show will go on. Productions for films and television series were all postponed, but one of the first groups to get back to work were our friends at Hallmark. Of course, they did so while following strict COVID-19 safety practices. All you need to do is follow the Hallmark stars on social media to catch glimpses of life in the Hallmark quarantine bubble. (Check out Paul Greene, Jack Wagner, Wes Brown, and Jill Wagner to start.)
