[Mistakes](#)

For various important reasons, many students submit their work only at the very last minute of the deadline. That means mistakes are inevitable. After all, working against the clock demands sacrifices.

### [The Coolest City to Visit in Each State](#)

A nation of 50 states means a world of worthy places to visit. Each state is more like a different country, flaunting its own individual culture, history and lifestyle. With such a vast country at your disposal, it's difficult to choose where to go and what to see. That's why we dug deep to find the coolest city in each one of our glorious 50 states. Now the only problem remaining is how to narrow it down to which place to visit first.
