### [The Quirkiest Cities in the U.S.](#)

Whether you call it wacky, quirky or just plain weird, you can always tell when a city marches to the rhythm of its own drum.

And these quirky cities don't just celebrate their eccentricities, they thrive on them. From weird street festivals to naked swimming parks, some cities revel in being different. And hey, who can blame them? It's fun to go somewhere so refreshingly outside of the box. If you're looking to try something new, look no further than these quirky U.S. cities.
