14th Annual Gingerbread House Tour

It's that time of year again, when children and the young at heart look forward to the

Annual Gingerbread House Tour. We understand that some of our businesses need a little more time to figure out the logistics for this year, so we have extended the deadline.

This year will be a little different as we observe COVID safety measures. We are doing everything we can to make this event magical and safe.

The Chamber will create a QR code that will take voters directly to our website to vote for their favorite Gingerbread House. We look forward to many businesses participating this year.

Deadline EXTENDED for Applications to November 11.

"Quite an adventure in Wonderland"

Les Diz was written and produced by Roland and Linda Ojeda, directed by Elizabeth O'Keefe and performed as an SWC Scholarship fundraiser on November 13 and 14, 2009. It is the "true" story of how Disney came to Broadway through Mickey's older twin sisters Molly and Dolly Mouse who wanted to help save Mickey since he hadn't had a hit since the '50s.

This is definitely a show filled with ample music and mirth to make you forget the drama of 2020 ... at least for a little while!

The webcast will begin promptly at 5:30pm on Friday, November 6 but try to get settled in a few minutes before so you won't miss anything! To access the show, just [click here](#), sit back and enjoy the show!
