Presidential Pets

For generations, U.S. Presidents and their families have brought the life and love of pets into the White House. While most had a family dog (and often multiple dogs), many branched out to include everything from horses to hamsters. Here are a few images of Presidents with their pets.

Marin County - Closings as of 11/17 Tuesday

The following industries should reduce operations to match “red” Tier 2 allowances within the State of California’s [Blueprint for a Safer Economy](#), effective Tuesday, November 17:

- Retail / malls – reduce capacity to 50%
- Office work spaces – work remotely

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

- Places of worship – reduce capacity to 25% or 100 people (whichever is fewer)
 - Gyms and fitness centers – reduce capacity to 10%
 - Wineries – operate outdoor only
- Family entertainment centers – operate outdoor only
 - Cardrooms – operate outdoor only
 - Indoor pools – close
- Bars and breweries (with no meal option) – close
-

In addition, the county will be joining counties across the region to close all indoor dining operations, including:

- Indoor dining at restaurants
- Indoor movie theater concessions
 - Indoor food courts

It was an evening of tributes and performances celebrating the best in country music at the 54th Annual CMA Awards. At a more intimate venue to comply with Covid-19 safety, the awards show was held in Nashville, Tennessee, and hosted by the talented duo of Reba McEntire and Darius Rucker. Here are some photos of the performances that brought music into our living rooms.

[Covid Winter Is Coming. Could Humidifiers Help?](#)

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

As the air gets drier, and people stay indoors with the heater on, humidity will likely play a role in how easily the respiratory virus spreads.

BY NOW, YOU'VE probably got your coronavirus risk-minimizing routine down pat. [Mask?](#) [Check.](#) Social distance? Acquired. Spending time indoors with people outside your pod? Hard pass. You wash your hands. ([But maybe not your groceries.](#)) And that's great. Keep it up. Because with the virus now surging to record levels [in nearly every state](#), and hospitals [starting to buckle](#) under the strain, doing all these things is more important than ever. But as public health experts warn of a long and deadly winter ahead, there's one more thing some scientists say we should be talking about: humidity.
