[15+ Best Recipes to Make on New Year's Day for a Lucky 2021](#)

Because we could all use a little more luck this next year.

Because fish swim forward, they're considered a lucky food and represent progress. Not only that, but salmon travel in schools, which is supposed to symbolize prosperity. In addition to luck, this fillet will help you start your New Year's off healthier!

TIME's Top 100 Photos of 2020

It was a long year made to feel longer by the shadows that lay across it, one atop the next, and experienced as a miasma visible as atmosphere in so many of the photographs that define it: The half-light of a [temporary morgue](#). Of a city street obscured by tear gas. Of a wildfire's traveling dusk.

In the first months of the pandemic, our curators set out to uncover stories of artists creating in times of crisis. Our most read article featured [this series of photographs](#) documenting the resilience of San Franciscans in the aftermath of the 1906 earthquake. At least fifty of Genthe's film negatives, regarded as one of the best photographic records of the event, are housed at the Legion of Honor's Achenbach Foundation for Graphic Arts.

[Beware of COVID Fraud](#)

The U.S. Department of Health and Human Services Office of Inspector General is alerting the public about fraud schemes related to the novel coronavirus (COVID-19). Scammers are using telemarketing calls, text

Fraudsters are offering COVID-19 tests, HHS grants, and Medicare prescription cards in exchange for personal details, including Medicare information. **However, these services are unapproved and illegitimate.**

[A crewless boat is recreating the Mayflower's 400-year-old journey, with the help of artificial intelligence](#)

The [Mayflower](#) carried some of the first European settlers across the Atlantic Ocean to North America, 400 years ago this year.

To commemorate the anniversary, another vessel is recreating that voyage, with the help of [artificial intelligence](#).
