In this spookily prescient booklet, people are advised to keep six feet apart, avoid shaking hands and only send one person per household out to do the shopping.

Scam Warning

Be wary of accepting any "surprise gift or package," which you neither expected nor personally ordered, especially if it involves any kind of payment as a condition of receiving the gift or package. Also, never accept anything if you do not, personally, know or there is no proper identification of who the sender is.

Above all, the only time you should give out any personal credit/debit card information is when you yourself initiated the purchase or transaction!

7 places online to help you learn how to draw

You can be lucky enough to be born with the ability to draw, but drawing is also a learnable skill that practice improves and makes perfect-ish. Learning to draw is a very rewarding thing to do in your spare time. It can be an exciting and creative process, but also a relaxing way to destress and encourage mindfulness.
